Mr. William E. Garner
Attorney
Route 4, Box 354
Scottsboro, Alabama 35768

Dear Mr. Garner:

Please refer to your letter to Chairman Anders of December 17, 1975, concerning the driving habits of TVA employees and the need for repairs to certain roads near the Bellefonte Nuclear Plant site. We have today referred your letter to the TVA for appropriate action in light of the provisions of section 4.4, item 17, of the Final Environmental Statement for the Bellefonte Plant which reads as follows:

"Road Repairs

If existing roads need repairs due to abnormal use during the construction program, responsibility will be determined on an individual basis with local highway officials and appropriate action will be taken by TVA."

In view of the absence of any provision in the license or related documents concerning the driving habits of employees of the TVA you may wish to contact TVA directly on this matter.
