Mr. Gerald L. Dittman
Environmental Project Manager
Directorate of Licensing
United States Atomic Energy Commission
Washington, D. C. 20545

Dear Mr. Dittman:

Attached will be found my comments on your Draft Environmental Statement for the Bellefonte Nuclear Plant.

Time will not permit a complete analysis of this statement. Hopefully, other members of the public will comment, and who knows, even a state or federal agency might get up guts enough to disagree with Big Sister at the Atomic Energy Commission or Big Brother at the Tennessee Valley Authority.

It is to be hoped that the Atomic Energy Commission will make factual response to the comments rather than the bull conclusory type statements that are not based on fact that dominate the AEC statement.

Very truly yours,

Bill Garner
