Docket Nos. 50-438
and 50-439

JUL 23 1973

Dr. Ira L. Myers
State Health Officer
State Department of Public Health
State Office Building
Montgomery, Alabama 36104

Dear Dr. Myers:

Tennessee Valley Authority has filed an application to construct and operate the Bellefonte Nuclear Plant, Units 1 and 2, on the applicant's site in Jackson County, Alabama, approximately six miles northeast of Scottsboro, Alabama. Enclosed are copies of related notices which have been forwarded to the Office of the Federal Register for publication.

Also enclosed for your information is a copy of the application, including the Preliminary Safety Analysis Report.

In an effort to be more responsive to the needs of the public, the Commission has arranged for documents and correspondence relating to this application to be kept on file for public inspection at the Scottsboro Public Library, 1002 South Broad Street, Scottsboro, Alabama 35768. You may wish to refer members of the public who contact your office to this location where they can review the application and other related documents.

Sincerely,

Original Signed By
A. Schwencer

A. Schwencer, Chief
Pressurized Water Reactors Branch No. 4
Directorate of Licensing
