Project No. 458

MAY 15 1973

Tennessee Valley Authority
ATTN: Mr. James E. Watson
Manager of Power
818 Power Building
Chattanooga, Tennessee 37401

Gentlemen:

On May 14, 1973, we received your letter of May 8, 1973 transmitting your application for construction permits and operating licenses for Bellefonte Nuclear Plant, Units 1 and 2. The tendered application includes the following documents:

1. Preliminary Safety Analysis Report
2. Information requested by the Attorney General for Antitrust Review
3. General Information
4. Draft Environmental Statement

We are conducting a preliminary review to determine the completeness of these documents and expect to complete our review within the next thirty (30) days. Upon completion of our review, we will notify you by letter as to the conclusions of our completeness review and arrange a meeting with you to discuss these conclusions.

Sincerely,

Original signed by:
Roger S. Boyd

for A. Giambusso, Deputy Director
for Reactor Projects
Directorate of Licensing
