Region II - Suite 818  
230 Peachtree Street, NW.

Dear Mr. Moseley:

On April 2, 1974, we wrote to you on the subject of AEC Directorate of Regulatory Operations participation in TVA Division of Engineering Design audits of vendors for the Bellefonte Nuclear Plant. We are enclosing a copy of the Division of Engineering Design vendor audit schedule for 1974 and we invite your participation in any audit which you may select.

If it is decided that a DRO representative is to accompany DED representatives in one of the audits, we ask reasonable advance notification so that we can notify the vendor before the visit.

Very truly yours,

A handwritten signature in cursive script that reads 'J. E. Gilleland'.
