Subject: For license #11-27076-01 we would like to amend our license, to add some new nuclear gauges.

At this time we would like to ask for an amendment to our license. We would like to add some nuclear gauges to our inventory. Right now we have:

23 Troxler 3440's
31 Troxler 4640B
24 CPN's MC-3

At this time we have out to bid for another (14 gauges for sure + another 4 maybe added to that). We are not sure at this time who will win the bid. The gauges will be moisture density gauges, but at this time I'm not sure what model etc.

If you need any other information please let me know. We will update this when we find out who wins the bid.

Thanks Dianna
