Dick,

I'll confirm the Monday audit with our staff and Leslie.

I have no problem coordinating directly with WEC to use the WEC facility. It is unusual because typically, our communication is directly with the applicants. Personally, I've NEVER contacted A/E or applicant's contractors without applicant's presence or prior knowledge.

In any event, I believe the documents we need to re-visit are in the WEC office. If I need more, I'll let you know ASAP.

Tom,

I talked to Leslie yesterday and informed her that you would be going to the WEC office on Monday morning. She said that would be fine, but stated that, in the future, she would like to schedule NRC visits directly with the involved NRC personnel. That is certainly acceptable to us. We need only communicate with you to ensure that we provide the required review documents at the appropriate time.

As I said, I informed Leslie that you would be arriving on Monday morning at approximately 9:00 am. However, you may want to verify with her. The numbers at the WEC office are:

301-881-7040  
301-881-7042
