Importance: High

Shawn,

I will not take possession of customers sources under my license, as will be stated on the amended license under condition 10. If any other information is required please contact me.

Best Regards

Terry, during my final review I noticed that you didn't confirm that you will not take possession of licensed material/sources at a client's facility. Once this info/confirmation is received I can proceed with your amendment request. Thanks. Shawn Seeley
