Subject: Re: FW: Request for State Review of Draft EA, NRC License No. SMB-141, Docket 040-06394, Control No. 144649

Mr. Lawyer:

Maryland's Radiological Health Program has no comments on this EA. I have been waiting for comments from our Land Management Administration. I contacted them this morning as a reminder, and have been promised their comments by end of today. I will forward them upon receipt.

Thanks

Ray Manley, Chief
Radioactive Material Licensing Compliance Division
Maryland Department of the Environment

Mr. Manley,

I have not obtained a response to date on my below request. Today is the last business day before the 30 days. Do you need additional time to comment? If so, how much time do you think you will need?

Subject: Request for State Review of Draft EA, NRC License No. SMB-141, Docket 040-06394, Control No. 144649

Mr. Manley,

Attached is a draft EA for the Department of the Army, Army Research Laboratory at Aberdeen Proving Ground, License No. SMB-141, docket No. 040-06394, Control No.

144649 for State review. This is for the release of a specific area within Aberdeen Proving Grounds, the Building 1103A Area. All of the documents listed in the draft EA are public in ADAMS. I would appreciate your concurrence or comments within 30 days. Please contact me if you have any additional questions.

Thank You,

Dennis Lawyer
