The Tennessee Valley Authority transmits 40 copies of the manual entitled "Handbook of Health Physics." This manual is being submitted in support of all TVA nuclear plant applications, and has been prepared in an effort to provide the employees of the nuclear plants with the information about radiation needed during daily work.

This manual has been prepared by the Industrial and Radiological Hygiene Branch of TVA.

It is the intention of the Tennessee Valley Authority to provide all the nuclear plant employees with a copy of this manual.

Very truly yours,

J. E. Gilleland
Assistant to the Manager of Power
