Dear Mr. Struckmeyer:

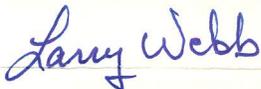

This is in reply to your letter dated March 17, 2011 and our phone conversation of April 7, 2011, questioning if additional information needs to be supplied with our application.

Our original application was completed on NRC form 313. I completed items 1 through 4, requesting item 1.c. Renewal of License Number 41-23845-01E.

We have not made any changes to our facility, isotopes or radiation personnel since our last renewal. This request is for renewal of our existing license.

If any additional information is needed, please contact me by at 865-482-9948 or email: larry@spectrumtechniques.com.

Sincerely;

Larry Webb
Laboratory Manager
