Subject: Global Laser Enrichment and Vendors Monthly Reporting Logs (As required by the associated SPPPs)

Dear Sir/Maam,

Attached are copies of the GE Hitachi Nuclear Energy - Global Laser Enrichment (GLE) Program monthly reporting logs for GLE and all associated vendors. These reporting logs cover the past month's security activity related to the Global Laser Enrichment Program. We had one reportable event for the month of March 2011. Compilation issue on unclassified computer system which was result of legacy bullentins. BC wipe performed on system and discussed with NRC on future legacy issues.

The enclosure of this transmittal contains security-related sensitive information which is to be withheld from public disclosure in accordance with 10 CFR 2.390 and the instructions in RIS 2005-31.
