Sir...making arrangements for a car.

Do you want to be there for the breakfast?

Also, are you still good with leaving after your discussion?

Agenda is below.

Bill, it is obvious to see you are maintaining an incredibly busy schedule these days. I wanted to confirm the time for Friday September 24 and pass on the draft agenda for the event. Although Sen. Alexander and Majority Whip Clyburn are not yet confirmed, we are confident they will kick off this event. You are more than welcome to come for the buffet breakfast and hear their remarks. You have 45 minutes, starting at 9:30, and should leave at least 15 minutes for questions from this group of both utility and vendor/supplier Washington reps. The venue has changed since we last communicated, the event is now at the Phoenix Park Hotel 520 North Capitol Street, N.W.

Washington, D.C. 20001. Power Point slides can be used if you like. Here is a laundry list of subject matter for your choosing:

Yucca Mountain license application withdrawal by DoE (realize this may be tricky considering the pending litigation), SMRs (especially regulatory hurdles), existing plant relicensing, relicensing for 20 years beyond 60 years, new reactor COLs, safety culture initiatives, relations between commissioners (especially with chairman), commissioners relations with the staff, initiatives to closeout issues/rulemaking in a timely fashion, who the commissioners want to interface with and how often, CEOs, CNOs, NEI?

(b)(6)

Thanks Bill
