Importance: High

Good afternoon Linda,

This event is being held in the Phoenix Park Ballroom, which is on the first floor (Lobby level) of the Phoenix Park Hotel and maybe about 30 feet and just opposite from the Hotel's registration desk.

We will have our own registration desk just outside the Phoenix Park Ballroom....so it should be relatively easy to spot and we will have someone standing outside the ballroom keeping an eye out for him.

If he has any problems, my cell phone number is (b)(6) he can call me and I will look for him and escort him to the Ball room if necessary.

Let me know if you require any additional information.

Respectfully,

Merle Litvack
Senior Executive Assistant
for Alex Flint, Senior Vice President of Governmental Affairs
