Dear Ms. Borduas,

As per our phone conversation, additional information is needed to process the amendment request for Waterbury Hospital Health Center. Since you have reported that you are acquiring the activities of an existing licensee, Cardiology Associates of Waterbury, P.C., the request can be facilitated by your commitment to the items needed for the transfer of control. These requirements have been outlined in NUREG 1556 Volume 9 Revision 2 and can be found in Appendix G: <http://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1556/v9/r2/sr1556v9r2-final.pdf#app-g>

The additional information we are requesting is as follows:

- Please address items 1-6 listed in Appendix G.
- Submit a drawing that clearly outlines the use areas as instructed in NUREG 1556 Volume 9 Rev 2 Section 8.16. <http://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1556/v9/r2/sr1556v9r2-final.pdf#08-16>

Once we receive the additional information requested, we should be able to finalize the processing of your license amendment. You may respond to my attention in writing by letter or fax (610-337-5269), referencing mail control 574523. If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your amendment.
