In the Matter of Tennessee Valley Authority
(Bellefonte Nuclear Plant, Units 1 and 2)
Docket Nos. 60-438 and 50-439

Dear Mr. Forquer:

This is to express our appreciation for your recent assistance in the above referenced proceeding.

We were able to conclude a very satisfactory agreement of a dispute concerning construction and maintenance of transmission line rights-of-way. The participation of John A. Gill and James T. Roseberry of the Division of Licensed Projects was arranged by Scott DuBoff of your office and was a major factor in our being able to obtain that agreement.

Sincerely,

William D. Paton
