Re: *Federal Radioactive Material License No. 09-31230-01*
Letter to request that License be amended to increase the number of
gauges possessed

To whom it may concern:

This letter is to request that our license be amended to allow a maximum of four (4) gauges, versus the two (2) currently indicated on our license. The additional gauges are Troxler 3400 Series portable gauges for measuring the physical properties of materials, the same as indicated in section 9 of our license.

Should you have any questions or require additional information, please do not hesitate to contact me at your convenience.

Respectfully Submitted,
MC Squared, Inc. (MC²)
