

Scheduling Call Summary for February 28, 2011

Agenda/Action Items:

1. Update on CR –potential lapse of appropriations (Mindy Landau/OEDO) The EDO Updates will continue to be the main source of issuing information to the staff. An EDO update is scheduled to be issued February 28. Also, the EDO SharePoint site includes "Possible 2011 Furlough" Frequently Asked Questions. A meeting for all PMDA Directors and Regional DRMA's is scheduled later today (4pm) to discuss priority fee-based funding and contracts, as well as other actions that need to be taken in the event of a shutdown.
2. (Amy Powell/OCA) The House and Senate are in session today. OCA is cautiously optimistic that Congress will pass a two-week Continuing Resolution that will fund most of the Federal government at the FY 2010 funding level. The draft bill funds the NRC at the FY 2010 funding level and contains no separate provisions. The House Rules Committee is meeting today to establish the rules for the floor debate.
