Dear Mr. Regan:

In the Matter of the Application of ) Docket Nos. STN 50-438  
Tennessee Valley Authority ) STN 50-439

In your May 23, 1978, letter you requested responses to five items of additional information required to continue your review of the "Report on Larval Fish Entrainment for the Years 1975-1976" for the Bellefonte Nuclear Plant. A response date of June 9, 1978, was to be verified or an alternative date was to be supplied.

We regret that we could not complete our responses by June 9, 1978. However, as discussed in a conversation on June 2, 1978, between Suzanne Keblusek of your staff and Susan Tate of my staff, our responses will be forwarded to you by June 26, 1978.

Very truly yours,
