During construction the following plan will be in effect:

Monday - Friday 0600-1800 hrs

Only decal vehicles will be able to enter this gate.
Non-Decal Vehicles must enter through
Old Farm Gate.

After 6:00 P.M. and weekends

All Vehicles may use this gate.

Welcome to Fort Detrick

We are a premier quad-services installation committed to excellence. As an Army Medical Installation we are home to the [United States Army Medical Research and Materiel Command \(USAMRMC\)](#), the [National Cancer Institute \(NCI-Frederick\)](#) and 37 mission partners. The primary missions include biomedical research and development, medical materiel management and global telecommunications. We are also home to a [National Interagency Confederation for Biological Research](#) and [National Interagency Biodefense Campus](#). The [United States Army Garrison \(USAG\)](#) provides base operations support for Fort Detrick.

Fort Detrick has been an important part of the Frederick community for more than 53 years. The [Cutting Edge](#) contains the history of Fort Detrick and the growth it has experienced. The biweekly [Fort Detrick STANDARD](#) provides current policies, information, and features about people on the installation.

New Arrivals

Fort Detrick is the largest employer in Frederick County. As a new member of the community, there are many services waiting for you. The "[Newcomers Link](#)" provides

information about the amenities for you and your family available through the Relocation Readiness Program.

Location

Fort Detrick is located in Frederick, Maryland, in the heart of Frederick County, the third fastest growing county in Maryland. Fort Detrick is the center of the biomedical technology growth that has occurred in the county. We are located approximately one hours drive from Washington D.C. metro area and Baltimore, Maryland, easily accessible by major interstate highways.
