## Welcome to Fort Detrick

We are a premier quad-services installation committed to excellence. As an Army Medical Installation we are home to the [United States Army Medical Research and Materiel Command \(USAMRMC\)](#), the [National Cancer Institute \(NCI-Frederick\)](#) and 37 mission partners. The primary missions include biomedical research and development, medical materiel management and global telecommunications. We are also home to a [National Interagency Confederation for Biological Research](#) and [National Interagency Biodefense Campus](#). The [United States Army Garrison \(USAG\)](#) provides base operations support for Fort Detrick.

Fort Detrick has been an important part of the Frederick community for more than 53 years. The [Cutting Edge](#) contains the history of Fort Detrick and the growth it has experienced. The biweekly [Fort Detrick STANDARD](#) provides current policies, information, and features about people on the installation.
