Subject: Freedom of Information and Privacy Act Request

Dear Ms. Brown:

Alliance Solution Group (ASG), Inc. is seeking access to records under the Freedom of Information Act and the Privacy Act. ASG is a small, service-disabled, veteran-owned business that offers homeland security solutions to federal, state, and local government agencies as well as private industry.

ASG is currently under contract with the Northern Neck Planning District Commission (NNPDC) to perform an update of the regional emergency response plan for Lancaster, Northumberland, Richmond, and Westmoreland counties in Virginia (also known as the Northern Neck Region). If any information is to be withheld, please notify me and ASG will request that the NNPDC file a separate request. In order to complete the assessment, we need to identify and quantify any information on radioactive materials stored/used within the Northern Neck Region. We are requesting information on the companies or businesses that currently have radioactive material licenses/permits within Lancaster, Northumberland, Richmond, and Westmoreland counties. If possible, please provide a copy of the license/permit indicating the specific isotope and maximum activity authorized for each item. This information can be provided electronically (CD) if available.

ASG is willing to pay the applicable fees, if any, associated with processing our FOIA and PA request. If you need any additional information, please contact me at 757-303-6669. Thank you.

Sincerely

Robert K. Campbell, PE  
President
