Dear Mr. Keppler:

In accordance with our original response of Reference (a), enclosed for your review is the revised response to the subject Bulletin for Quad Cities Units 1 and 2. This report contains the available data located to date concerning the environmental qualification of electrical equipment. The report identifies areas where effort is continuing in the identification of equipment qualifications.

The revised response for Dresden 3 will be available by June 11, 1980, instead of June 2 as indicated in Reference (b).

Please address any questions concerning this matter to this office.

Very truly yours,

Robert F. Janecek
