CERTIFICATE REGARDING CONSULTATION

I certify that on May 4, 2011, I contacted counsel for the applicant and the NRC Staff in an attempt to resolve the concerns raised by this motion. Counsel Michael Lepre for the applicant said on May 4 that the applicant would not consent to the motion, deeming that there were no compelling circumstances and that the petition and reply were unnecessary in light of the settlement agreement suspending this case. Counsel Ann Hodgdon for the NRC Staff said on May 5 that the Staff would oppose the motion unless it demonstrated compelling circumstances.
