Subject: Chapter 16 ACRS Slides

Hein & Joe,

I sat with Pete this morning and went over the NRC Calvert Cliffs Unit 3 Chapter 16 slides for today's Go To meeting with UniStar. We made changes to some of the format and header items but did not change content. Please review as soon as you possible, as I will be sending them shortly to UniStar in preparation for the meeting.

In addition, the slides that UniStar intends to present are attached.

Thanks,

Jim Steckel
