Subject Closure of NMED Record 090662

On October 30, 2009 you requested additional information for NMED Record 090662. A review of the record currently in the system revealed that you have all of the requested information except for the following:

- (1) Who was the manufacturer of the seeds? IsoRay Medical, Incorporated
- (2) What was the model number of the seeds? CS-1

Other changes:

Medical Consultant Hired: Yes

Abnormal Occurrence: No

Investigation: Yes

NRC Region I has completed its review of the incident and associated issues. No enforcement is forthcoming and the NMED Record may be closed. Unless, of course, you have further questions on the above record.
