AFFIDAVIT

I, Rafael Flores, being duly sworn, hereby depose and state I am the Senior Vice President and Chief Nuclear Officer for Luminant Generation Company LLC (Luminant) and Senior Vice President and Chief Nuclear Officer for Comanche Peak Nuclear Power Company LLC (CPNPC), and do hereby affirm and state:

1. I am authorized to execute this affidavit on behalf of Luminant and CPNPC.
2. Luminant and CPNPC are providing information in support of the combined license (COL) application for Comanche Peak Nuclear Power Plant, Units 3 and 4. Part 1 of this application contains pro forma financial information and other information related to the financing and development of Units 3 and 4 and certain non-public information concerning the investment in CPNPC by its members, Luminant, through its wholly owned subsidiary, Nuclear Energy Future Holdings II LLC, and MHI, through its wholly owned subsidiary, MHI Nuclear North America, Inc., all of which is considered confidential and sensitive business information. Its disclosure would place CPNPC and its members at a distinct disadvantage in conducting business as competitors could analyze the data to identify strengths and weaknesses, and then seek to capitalize on those perceived strengths and weaknesses.
3. COL Application Part 1 contains information regarding the financial plans, basis of project and construction cost, and information regarding the financing and development of Comanche Peak Units 3 and 4. This information is considered confidential and contains sensitive business information. The disclosure of this information would permit competitors to gain commercial advantages through access to non-public information about Luminant, CPNPC and its members, and the project's financial condition and agreements. Additionally, competitors could analyze this data to identify strengths and weaknesses of Luminant, CPNPC and its members, and could capitalize on this data.
4. As such, this information is protectable under 10 CFR 2.390(a)(4) and 9.17(a)(4), because:
 - i. This information is and has been held in confidence by Luminant, CPNPC, and its members.
 - ii. This information is of a type that is customarily held in confidence by Luminant, CPNPC, and its members, and there is a rational basis for doing so because the information contains sensitive financial information concerning projected revenues and operating expenses of CPNPC.
 - iii. This information is being submitted to the NRC voluntarily and in confidence.
 - iv. This information is not available in public sources and could not be gathered readily from other publicly available information.
 - v. Public disclosure of this information would create substantial harm to the competitive position of Luminant and CPNPC by disclosing its internal financial projections and agreements.
5. Accordingly, Luminant and CPNPC request that the designated document be withheld from public disclosure pursuant to the policy reflected in 10 CFR 2.390(a)(4) and 9.17(a)(4).
