**Subject:** RE: Unistar request - AREVA audit plan?

Jason,  
AREVA has seen the audit plan. There are no prop information, it is ok for Surinder to email it to his contact. The request however is very unusual.

**Subject:** Unistar request - AREVA audit plan?

Getachew and Surinder:

Tanya has received a call from a Unistar representative requesting an audit plan we sent to AREVA. Since we haven't declared it in ADAMS, I suggested that we have AREVA forward the document to the Unistar representative in case the plan contains proprietary information.

Please let Tanya and I know if we need to take any other action.

Thanks,

Jason
