Dear Dr. Jimenéz Marchán:

This refers to your license amendment request. Enclosed with this letter is the amended license.

By facsimile dated March 14, 2011, you submitted a copy of Dr. Roberto Annexy Márquez's American Board of Nuclear Medicine certification, indicating that his preceptor's attestation would be submitted the following week. To date, we have not received said document. We went ahead and removed the two authorized users you requested to be removed from the license and will be glad to review Dr. Annexy Márquez's full credentials when they are available to us.

Please review the enclosed document carefully and be sure that you understand and fully implement all the conditions incorporated into the amended license. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region I Office, Licensing Assistance Team, (610) 337-5239, so that we can provide appropriate corrections and answers.
