Re: - Control No.: 574429
License 13-26017-01
Regional Services Corp.

Dear Mr. Herr:

This letter is in response to your May 9, 2011 phone/fax request for additional information pertaining to a request to replace Mr. Douglas A. Opell, LPG as Radiation Safety Officer ("RSO") with Brian J. Hart, PE as the new RSO for license number 13-26017-01.

For the record, I received my initial training course for the use of nuclear testing equipment on April 5, 1990 (certificate attached). Since then, I have received annual safety training and triennially refresher training session and Haz-Mat training and testing per 49 CFR-172, Subpart H and security awareness (certificate of attendance attached). Part of our annual training has included review the company's Radiation Safety Program and Material License.

I acknowledge herewith that I have been assigned the position of RSO for Regional Services Corp and I understand the duties and responsibilities of the position. It should also be noted that I will be working closely and receiving guidance from the current RSO, Doug Opell, regarding these duties and responsibilities.

Please contact me or Doug Opell at (317) 736-5523, should you have any questions.

Sincerely,

A handwritten signature in cursive script that reads 'Brian Hart'.

Brian Hart, PE
