PUBLIC SUBMISSION

Docket: NRC-2011-0058
Alternative Controls Governing Minimum Time Off

Comment On: NRC-2011-0058-0001
Alternative to Minimum Days Off Requirements

Document: NRC-2011-0058-DRAFT-0001
Comment on FR Doc # 2011-09925

Submitter Information

Name: Erik Erb
Address:
13981 Rt 38
Sterling, NY, 13156

General Comment

We are particularly interested in comments and supporting rationale from the public on the following issue: Would the alternative approach provide comparable assurance of the management of cumulative fatigue as the current minimum days off requirements?

In response to this question posed, I believe that the alternative approach to minimum day off (MDO) would in fact provide comparable assurance to mitigate cumulative fatigue and also help to alleviate the unintended consequences MDO is causing.

Subject: Comment on Proposed Rule - Alternative to Minimum Days Off Requirements
Attachments: NRC-2011-0058-DRAFT-0001.pdf

Van,

Attached for docketing is a comment from Eric Erb on the above noted proposed rule (3150-AI94; 76 FR 23208) that I received via the regulations.gov website on 5/6/11.

Thanks,
Carol
