**It's official: The transition to our new name – Fibrek – will be complete on September 1, 2010**

We're proud to announce that the final phase of our transition from the name "SFK Pulp" to "Fibrek" is scheduled to happen on September 1, 2010. On that date, the name change of all entities under our legal structure will have been completed.

**Please start addressing us as Fibrek.** Consequently, note that we will be able, starting on September 1, 2010, to process business documents addressed to "Fibrek" such as quotations, invoices and contracts.

While our corporate name will change, we will continue to be the same reliable partner that you have come to know. Now, we have a name that better describes our broad commitment to creating innovative solutions for a sustainable future.

**Welcome to Fibrek.**
