Ms. Sampson:

I realized after I sent my previous email that the color copy of the report did not contain the signed front page. Just so that you have for your records and can see that it is an executed document, I am attaching the black & white signed first page in front of the actual report.

Thank you and I apologize for the confusion.

Ms. Sampson:

Good morning. I am sending the attached report at the request of Tom Dougherty, CEO of Columbiana Hi Tech.

I have copied Mr. Dougherty on this email, so that you have his email address, in case you have any questions regarding the report.

If you have any problems with opening the file (since it is so large) or any issues with the file, please let me know.

Thank you.
