Manny,

I apologize for this unfortunate experience in accessing the calc package. As it turns out, the calc package was there but not recognized by the WEC staff that day. I have discussed this matter with WEC (Mr. Seelman) who has provided for your use the following confirmed representatives for PTN 6 & 7 WEC reading room matters:

Ms. Leslie Collins (WEC Twinbrook Reading Room)

301-881-7040 / Mr. Bob Seelman (WEC Corporate - Cranberry)

412-374-6231 Going forward, I recommend you call the primary WEC representative (Ms. Collins) to confirm material availability

before traveling there.

Best.

Rick

Subject: Turkey Point Calculations

Manny,

Early this afternoon I went to the Westinghouse Office in Twinbrook. It seems they don't have the calculations there yet. I would like to know who is our contact on Turkey Point/Westinghouse to follow up on the design report with the structural calculation – who was the person who offered us the structural calculations ??? Can you verify if they sent the report?? Or when they will send the report??
