UniStar's letter Accession Number ML110450509 provides an **updated** response to your RAI No. 128 (eRAI 2535). The previous response to this RAI was provided by UniStar letter UN#09-378 of 9/10/09.. The update is provided as a result of change in the seismic classification of Forebay as addressed in RAI 253 response. The letter also includes a revised FSAR markup which supersedes the markup provided in the previous response.

Please review the updated response and appropriately update the status of the applicable questions in the eRAI system.

Thanks.
