Subject: Follow-up Meeting on March 2, 2011 Decommissioning Workshop

Dear Messrs. Levin and Hayes:

The NRC would like to invite Exelon to a follow-up meeting to continue our discussion of the topics presented at the March 2, 2011 Decommissioning Funding Workshop. This would be a Category 2 public meeting, which will allow for a more focused discussion on the topics.

We propose a 3 hour afternoon meeting on June 7, 8, or 9 at NRC Headquarters in Rockville, MD. We would make a short presentation on each agenda topic, followed by discussion. You may make a short presentation on the agenda topics of concern to you. We would expect that the majority of the time would be used for discussion rather than prepared remarks. The meeting would be transcribed. Please respond by Friday, May 13. If you accept the invitation, please give us a 1st and 2nd choice for the date.

The topics and stakeholders to be invited are listed below.

Stakeholders

Duff & Phelps Investment Management Co.
Dr. Daniel Williams
Exelon Generation Corp.
New York Office of the Attorney General

Agenda:
