Mike,

We would like clarification/discussion on RAI 3.2.2.2.4.2-1A and B.2.12-9. Best to do it early in the week, Monday (combine with incore call) or Tuesday morning.

Thanks,
Rick

Rick,

Attached is a revision to the draft RAIs that I sent yesterday. Included in this version are three additional follow-up RAIs relating to parts of the LRA review not dealing with operating experience. As before, please let me know what your staff's availability would be to have a phone call to discuss. I imagine that it would probably be best to have two phone calls, one relating to the operating experience RAI, and one for the other RAIs.

If you have any questions, please let me know.

Thanks,
Mike

Rick,

Attached is a draft RAI relating to operating experience as it pertains to the Seabrook Station license renewal application. Once you have had time to review, please let me know when would be a good time to have a phone call to discuss with the relevant staff. If you have any questions, please let me know.

Thanks,
Mike
