FOIAPA REQUEST

Case No.: 2011-0003
Date Rec'd: 5-16-11
Specialist: *Blasey*
Related Case: _____

May 13, 2011

U.S. Nuclear Regulatory Commission
Mail Stop T-5 F09
Washington, DC 20555-0001

Dear Sir or Madam,
Please consider this a request, under the Freedom of Information Act, for documents related to inspections conducted of the nation's nuclear facilities in the aftermath of the Fukushima Daiichi accident and any correspondence about those inspections between nuclear operators and the commission.

I request that you process this request on an expedited basis under 10 C.F.R. 9.25(e)(2) and that you waive all fees, as provided by 5 USC Section 552(a)(4)(A)(ii)(II). This request is being made by The Wall Street Journal because disclosure of the requested information is in the public interest.

If it is your position that portions of the requested documents are exempt from disclosure, please provide me with an index of those documents, as provided by Vaughn v. Rosen, with enough specificity "to permit a reasoned judgment as to whether the material is actually exempt under the FOIA."

Thank you very much for your time and assistance.

Regards,

Rebecca Smith
