Dear Mr. Ash:

*Darren*

On behalf of TechAmerica, formerly Information Technology Association of America (ITAA), I would like to thank you for participating in the 2010-11 CIO Survey Interview project. We realize how busy you are and we appreciated your willingness to spend time with industry. Your comments were included in TechAmerica's twenty-First annual survey of Federal CIO's and Senior Government Officials – but on a non-attribution basis.

We are delighted to say that the survey has just been published. Enclosed is a copy of *"Leveraging Technology to Improve the Performance of the Government"*.

Again, thank you for allowing our CIO Survey Teams to interview you. We look forward to your participation in the 2011-12 survey. Should you wish to receive additional copies, please contact Angelica Hamilton at [ahamilton@techamerica.org](mailto:ahamilton@techamerica.org) or (703) 284-5308. We welcome your comments on the report!

Sincerely,

Olga Grkavac
