Shawn W. Seeley, Health Physicist RI/DNMS/DB

**Telephone No.** 800-996-8880

**Subject:** Request for Additional Information

(NOTE: This will be used as the Documents Title in ADAMS)

I called to speak with Mr. Palilla regarding his renewal request dated April 18, 2011. I told Mr. Palilla that his application did not adequately address waste disposal. He stated that Q/C Resource will dispose of any unwanted gauge/sealed source through one of the gauge manufacturers. I told him to put that in writing and submit to the Regional office in support of his renewal application. I told him we should have his renewal out in the next couple of weeks. I thanked him for his time and ended the call.

**Action Required: Waiting for Mr. Palilla to submit the required information then process renewal.**
