

May 23, 2011

Mr. Norio Sasaki
President and Chief Executive Officer
Toshiba Corporation
1-1 Shibaura 1-Chome
Minato-Ku Tokyo 105-8001
Japan

Dear Mr. Sasaki,

Thank you for your May 11, 2011, letter to Chairman Gregory Jaczko, U.S. Nuclear Regulatory Commission (NRC). In your letter you stated that Toshiba Corporation remains fully committed to the South Texas Project (STP) Units 3 and 4 and that Nuclear Innovation North America (NINA) will continue to seek a combined license (COL) for these units. You requested that the NRC continue its review of NINA's COL application.

The NRC staff began reviewing the STP 3 and 4 COL application upon the docketing of that application in November 2007. The staff continues to review that application today. At present, the staff plans to continue its review with the continued support of the applicant.

I hope this addresses your concern. If you, or members of your staff, would like to discuss this issue further, please do not hesitate to call. I can be reached at (301) 415-1199.

Sincerely,

/RA/

David B. Matthews, Director
Division of New Reactor Licensing
Office of New Reactors
