Ngola,

We have confirmed personnel availability for 5/24/11 at 10am EDT. We can use our bridge – 866-857-6769, 2548976887#. One of the items we want to clarify is the relationship between this feedback and the response being provided by MHI to DCD RAI 578-4483.

Steve and Ngola,

Luminant needs a clarifying conference call regarding these issues. There is significant overlap with the DCD re these issues and we want to be sure we are developing responses consistent with our understanding of the proper split between the DCD and the R-COLA. In addition, a portion of the material needed may have been provided previously and we want to be sure that we are providing all the information needed to close the issues.

Our calendars are becoming very busy. If possible, we can probably support a clarifying call early next week. Please propose a day and time.

Thanks,

Donald R. Woodlan
