SUBJECT: SHAW ENVIRONMENTAL & INFRASTRUCTURE, INC.,
ACKNOWLEDGEMENT OF RECEIPT OF MEMORANDUM OF
UNDERSTANDING DATED OCTOBER 7, 2010, CONTROL NO. 574510

Dear Mr. Peterson:

This is in reference to your letter dated February 16, 2011 (ML110560705), transmitting the Memorandum of Understanding (MOU) dated October 7, 2010. This MOU was executed among various other service provider contractors conducting environmental remediation operations at Hunters Point Naval Shipyard, located in San Francisco, California. However, it appears that a representative of the Navy has not signed this MOU. In order for the NRC to accept this MOU, we will need validation that the Navy has agreed to this distribution of work by all said contractors. Therefore, we are not acting on this matter at this time. Please note that we can only accept the MOU between you and the Navy; other listed service providers will need to follow their regulatory requirements. Since we approved your licensed activities at this location in our letter dated May 28, 2010 (ML101480067), no action is needed at this time. In the future, please only submit information relative to you and your customer in accordance with License Condition 14 of your NRC License No. 20-31340-01.

Your cooperation is appreciated.

Sincerely,

Original signed by Kathy Modes
