SUBJECT: MAINTENANCE OF REFERENCE MATERIALS AT THE HOLLY SPRINGS  
COMMUNITY LIBRARY RELATED TO THE REVIEW OF THE SHEARON  
HARRIS NUCLEAR POWER PLANT, UNITS 2 AND 3 COMBINED LICENSES  
APPLICATION

Dear Ms. Owens:

This letter is a follow-up to the May 12, 2011, telephone conversation with Ms. Maria Brown of the U.S. Nuclear Regulatory Commission (NRC) concerning the maintenance of reference documents by your library. These documents are related to the NRC staff's review of the Progress Energy Carolinas, Inc., application for the combined licenses (COL) for Shearon Harris Nuclear Power Plant, Units 2 and 3. The NRC staff requests that the enclosed document, Revision 3 of the Environmental Report under Part 3 of the COL application, be kept at the library.

The NRC staff appreciates your willingness to assist the public in participating in the COL application review process for the proposed new reactors. As discussed, your support would consist of providing shelf space in your reference section, which would be used for making documents related to the NRC staff's environmental review of the COL application available to the public.

If you have any questions, you can reach me by telephone at 301-415-3803, or via e-mail to [Donald.Palmrose@nrc.gov](mailto:Donald.Palmrose@nrc.gov).

Sincerely,
