

HOWARD BACKER, MD, MPH
Interim Director

State of California—Health and Human Services Agency
California Department of Public Health

EDMUND G. BROWN JR.
Governor

May 10, 2011

Mr. Terrence Reis
Deputy Director
Division Materials Safety and State Agreements
Office of Federal and State Materials and
Environmental Management Programs
U.S. Nuclear Regulatory Commission
11545 Rockville Pike
Rockville, MD 20852

Dear Mr. Reis:

Subject: Review of Agreement State Regulations/Legally Binding Requirements

Enclosed is a copy of proposed legally binding requirements (LBR) for your review. The LBR addresses 10 CFR 35.13(b)(4) and 35.14. The date by which the comments are needed is July 1, 2011.

Though the above identified provisions are compatibility category D, we request NRC's review to ensure use of this LBR does not impact other provisions subject to compatibility or adequacy.

If you have any questions, please contact me at (916) 440-7942, or Phillip Scott, Chief, Regulations Unit at (916) 440-7978.

Sincerely,

Gary W. Butner, Chief
Radiologic Health Branch

Proposed LBR

Specific License type: Medical Use

NRC Regulation: 10 CFR 35.13(b)(4) & 35.14
NRC Compatibility: Category D – both provisions.

Proposal:

For a period not to exceed 60 days in any calendar year, a physician is authorized to use licensed materials for human use under the terms of this license, provided the physician:

- (a) Has the prior written permission of the Licensee's Executive Management and its Radiation Safety Officer.
- (b) Is specifically named as an authorized user on a current and valid U.S. Nuclear Regulatory Commission, an Agreement State or a Licensing State license authorizing human use.
- (c) Performs only those procedures for which the physician is specifically authorized by the U.S. Nuclear Regulatory Commission, Agreement State or a Licensing State license.

The licensee shall maintain for inspection copies of the written permission specified in (a) above and the license(s) specified in (b) and (c) above. These records shall be maintained for five years from the time the licensee grants its permission under (a) above.

After printing this label:

1. Use the 'Print' button on this page to print your label to your laser or inkjet printer.
2. Fold the printed page along the horizontal line.
3. Place label in shipping pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

Warning: Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional billing charges, along with the cancellation of your FedEx account number.

Use of this system constitutes your agreement to the service conditions in the current FedEx Service Guide, available on fedex.com. FedEx will not be responsible for any claim in excess of \$100 per package, whether the result of loss, damage, delay, non-delivery, misdelivery, or misinformation, unless you declare a higher value, pay an additional charge, document your actual loss and file a timely claim. Limitations found in the current FedEx Service Guide apply. Your right to recover from FedEx for any loss, including intrinsic value of the package, loss of sales, income interest, profit, attorney's fees, costs, and other forms of damage whether direct, incidental, consequential, or special is limited to the greater of \$100 or the authorized declared value. Recovery cannot exceed actual documented loss. Maximum for items of extraordinary value is \$500, e.g. jewelry, precious metals, negotiable instruments and other items listed in our Service Guide. Written claims must be filed within strict time limits, see current FedEx Service Guide.
