Documents Title in ADAMS)**

Kevin Vernon, the Managing Partner of Colnsight, had responded to my request for information to Gary Nadeau, the proposed RSO for the Harold Leever Regional Cancer Center (HLRCC). Mr. Vernon explained the various relationships at HLRCC. He said that InSight (which is partnered with Colnsight) has a contract with HLRCC to provide staffing services. They provide the technologists as well as the Radiation Safety Officer. Colnsight has contracted with Decontamination Decommissioning and Environmental Services, LLC (DDES) to provide RSO services. The response letter was signed by Mr. Vernon. I explained even though they are providing the RSO services, a senior management representative from HLRCC, would need to sign the letter naming the RSO since they are the possessor of the license. I also let Mr. Vernon know that the Massachusetts license submitted with Gary Nadeau as RSO was not a medical license. It was a decommissioning license. I told Mr. Vernon that Mr. Nadeau should be listed as RSO on a medical license (and show recentness of experience if the license is greater than 7 years old) or submit the NRC Form 313A (RSO) which would need to include 1 year of experience working with materials that he is asking to be authorized for (specifically, 35.200 in this case).
