Subject: Yale University, Request for Additional Information Concerning Application for a License Amendment, Control 575063

Dear Ms. Stemen,

This is in reference to your letter dated April 20, 2011, requesting for amendment to Nuclear Regulatory Commission License No. 06-00183-03. In order to continue our review, we need the following additional information:

You have requested to remove a cesium 137 source, line 6.II. Please submit the latest leak test from the source as well as confirmation from the receiving vendor that the source has been transferred.

We will continue our review upon receipt of this information. Please reply to my attention at the Region 1 Office and refer to Mail Control No. 575063. If you have technical questions regarding this letter, please call me at (610) 337-5366.

Please note that you may not reply to this letter by return e-mail. Your reply must be in writing by letter or facsimile (610-337-5269). If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your application.
