Subject: STP Audit - V&V of ACSTIC2

John,

We have reviewed NINA's response to RAI 03.09.02-21 (eRAI 5058) in Letter U7-C-NINA-NRC-110064 dated April 13, 2011. The response is reasonable and we are ready to conduct an audit of the V&V program associated with ACSTIC2. The tentative date for this audit is during the week of June 13 to 17, 2011. If it is feasible to send your document to the Rockville Westinghouse office, and have the necessary technical staff to answer questions related to the V&V program, by telephone or in person, we can complete the audit in one day.

Please let me know as soon as possible such that li can issue an audit plan.

Regards

Tom Tai
