Subject: STP - ASME Spec in VRR

Dick,

We completed the follow-up audit this morning in the Westinghouse Rockville office. However, our reviewers want to see the following specifications in the VRR before they issue the audit summary. The specifications are:

U7-CRD-M-SPEC-FCRD-0001, Revision D, “Fine Motion CRD – Equipment Requirement Specification”

7B11-D003-1101-01, Revision 6, “Loading Specification” (I believe this is an attachment to the RPV Spec.)

7B11-D001-3001-01, Revision 4, “Core Support Structures and Reactor Internals – Equipment Requirements Specification”

Please let me know as soon as they are available.

Regards

Tom Tai
