Subject: ACRS on Part 70 MC&A

Guys,

We got some feedback from the ACRS concerning the Chapter 1 presentation on April 21, 2011 concerning the Part 70 review. They are asking about the MC&A provisions of SNM under Part 70. The staff doesn't plan on presenting anything technical on the Parts 30/40/70 issue other than the status of the review but I would advise STP to have something in their back pocket on how they address this issue in the COL, just in case the ACRS asks.

Thanks,
